## ***Area 5 Approved growing waters reopened for oyster harvest effective Sept. 30***

BILOXI, Miss. – Officials with the Mississippi Department of Marine Resources announced today that Approved Area 5 "C" growing waters are reopened to the harvest of oysters effective at legal sunrise on Thursday, Sept. 30, 2021.

Area 5 Approved growing waters includes the 80-acre off-bottom oyster park south of Deer Island.

The Mississippi Department of Marine Resources is dedicated to enhancing, protecting and conserving marine interests of the state by managing all marine life, public trust wetlands, adjacent uplands and waterfront areas to provide for the optimal commercial, recreational, educational and economic uses of these resources consistent with environmental concerns and social changes.
